Thank you!

The City of Lakota would like to give a big thanks to the Lakota Community Club, the Turkey BBQ Committee, and all the many volunteers for the 53rd Annual Turkey BBQ. What a great way to showcase our wonderful city and the many fantastic people that live here. Thank you again for your dedication and support to Lakota and the surrounding areas.

Farmers Market

The Lakota Economic Development Committee is pleased to announce that they will again be hosting a Farmer's Market for Lakota and surrounding areas.

The dates for the weekly Farmer's Market are set for every Tuesday starting July 14 and ending September 8 running from 5:30-6:30pm. The Market will be held outside of the Lakota Community Center, if there is a chance of inclement weather, the market will be moved inside the Community Center.

Please contact Amie Vasichuk at 247-2454 if you are in need of further information or if you are interested in hearing more about this exciting program.

Pet Owners in Lakota

Please clean up after your pet when on public and private property. There have been many complaints received to the city on this issue. Picking up and disposing of your pet's waste is your responsibility.

-Thank you City of Lakota

4 SIMPLE STEPS TO REDUCE BACKYARD MOSQUITOS.

1. Eliminate breeding habitat. Anything that holds water for up to seven days can produce mosquitoes. Get rid of the water!
2. Make your property unattractive for mosquitoes. Keep your grass cut short, hedges trimmed, etc. Mosquitoes like cool, shaded areas during hot summer days.
3. Apply effective insect repellent and wear protective clothing. There are several repellents that are odorless and leave your skin feeling dry instead of oily. Repellents are the best way to avoid mosquitoes.
4. Apply a barrier treatment to kill and fend off those pesky critters. Barrier sprays can give you one – three weeks of control from a single application.

Grass Clippings

When mowing your lawns, please remember to not blow your grass clippings into the street. Any debris placed into the city streets potentially ends up in the storm drains and pollutes our water ways.

Thank you for your cooperation.

Rock Creek Golf Course

The Rock Creek Golf Course is open for business and would like to invite you to try out your talents on the course. Swing on by to enjoy the beautiful 9-hole course, even if you're just starting out. Men's night is every Tuesday and Ladies night is every Wednesday. There is great food, great golfing and you'll have a great time!
