### Lakota Bucks

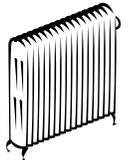

Lakota bucks are available at the City Hall for anyone interested in purchasing them. Lakota bucks are a great way to purchase items from our local vendors. They are available in \$1, \$5, \$10 or \$20 dollar denominations. This is a great gift for the upcoming holiday season or to use for any reason.

Lakota Bucks are purchased at the City Hall and can be redeemed at the any participating business or the State Bank of Lakota.

### FUEL ASSISTANCE

The winter season is here and it is time to heat your house. Heating Assistance is available through the Nelson County Social Service office for those who qualify. Eligibility is based on income, assets, and obligations to pay. Please contact the Nelson County Social Service office at 247-2945 for further information.

### Members of the Lakota Community

I invite you to join me for a town hall meeting set for November 1<sup>st</sup>, at 6pm at the Lakota Community Center. This meeting is part of ongoing efforts in the discussion phase for the future of Lakota's water treatment plant. The elected officials of the city of Lakota have a serious decision to make of rehabilitating our current water treatment plant or purchasing water from Tri-County Water and Greater Ramsey Rural. I ask you to come to our public meeting to gather the information we have obtained with the assistance of our engineering firm Advanced Engineering Services and to also voice your opinion.

I hope you can attend. This is an opportunity to better understand the future of our water and costs associated with each option to the city.

If you are unable to attend, please find in your November, 2016 utility bill newsletter an opinion survey and return it to the Lakota City Hall at 108 East B Ave, Lakota, ND or mail it to PO Box 505, Lakota, ND 58344 by November 3<sup>rd</sup>, 2016.

Jeff Russo Mayor of Lakota
