Thank you!

The City of Lakota would like to give a big Thank you to the Lakota Community Club, the Turkey BBQ Committee, all the many volunteers for the 57th Annual Turkey BBQ. What a great way to showcase our wonderful city and the many fantastic people that live here. Thank you again for your dedication and support to Lakota and the surrounding areas.

Park Board Fundraisers

The Lakota Park Board would like to thank everyone who came to our Coffee and Bread Pudding Fundraiser. Also, a very special THANK YOU to Elaine Brooks at Elaine's House of Dreams for making this fundraiser possible!

The Park Board has a Sponsor a Day fundraiser going on to help with the cost of the pool repair project. If you would like to know more stop in at City Hall or the Swimming Pool. Thank you to those who have donated to this project so far.

Grass Clippings

As we are in the middle of the grass clipping seasons, please remember to blow your grass clippings back into your yard and **not** in the city streets. The city of Lakota has an ordinance prohibiting any person to throw, place, deposit, leave or cause to be thrown dry grass or clippings into the public streets. Thank you for your cooperation.

Rock Creek Golf Course

The Rock Creek Golf Course is open for business and would like to invite you to try out your talents on the course. Swing on by to enjoy the beautiful 9-hole course, even if you're just starting out. Men's night is every Tuesday and Ladies night is every Thursday.

Farmers Market

The Lakota Economic Development Committee is pleased to announce that they will again be hosting a Farmer's Market for Lakota and surrounding areas.

The dates for the weekly Farmer's Market are set for every Tuesday starting July 23rd and ending September 17th running from 5:30-6:30pm.

The Market will be held at the Park Shelter in the Lakota City Park.

Please contact Amie at 247-2454 if you are in need of further information or if you are interested in hearing more about this exciting program.

4 SIMPLE STEPS TO REDUCE BACKYARD MOSQUITOS.

1. Eliminate breeding habitat. Anything that holds water for up to seven days can produce mosquitoes. Get rid of the water!
2. Make your property unattractive for mosquitoes. Keep your grass cut short, hedges trimmed, etc. Mosquitoes like cool, shaded areas during hot summer days.
3. Apply effective insect repellent and wear protective clothing. There are several repellents that are odorless and leave your skin feeling dry instead of oily. Repellents are the best way to avoid mosquitoes.
4. Apply a barrier treatment to kill and fend off those pesky critters. Barrier sprays can give you one – three weeks of control from a single application.
