Pet information for Lakota

Did you know that in the City of Lakota, your dog or cat needs to be licensed yearly as per Lakota City Ordinance 13.0201? At the time of licensing, the city of Lakota requires from the pet owner proof of current vaccination for each pet. The cost of a yearly pet license is \$2.50/per spayed or neutered dog or cat or \$5.00 for each pet not spayed or neutered. If you have a dog or cat in your residence, please come to the City Hall during business hours to license your pet.

Pets are also to be kept on a leash at all times when not in the pet owners home. Lakota Ordinance 13.0206, allows for the Nelson County Sheriff or the city to impound any unrestrained dog or cat in an animal shelter at the owners expense and also could be subject to a fine. This action is to provide safety for Lakota residents and pets.

Budget Billing

Are the heating months putting a dent into your pocketbook? Have you considered looking into budget billing with Lakota Municipal Utilities? Budget billing is a great way to pay your utility account by averaging out the yearly usage. With budget billing, there will be no surprise utility bill each month, we just require you to pay a set dollar amount each month with no late or delinquent payments. Come in to the city office today to find out what your budget bill would be.

Spring City Wide Rummage Sales!

The annual Lakota City Wide Spring Yard Sales sponsored by the Lakota Community Club will be held Saturday, May 4th from 8am to 1:00pm. If you plan to participate and have a sale, please sign up at the Lakota City Hall by April 30th. There is a \$10.00 fee to cover advertising, signs, and map expense. Maps will be available at local business the morning of the sales.

Online System

Have you tried our new online system? To view your account online go to www.lakotand.enerlyte.com and take a look. If you have not previously logged in you will need to click on the icon at the top right corner of the page. The information you need to do this is found on your utility bills you receive monthly.

Once you are logged in you will also be able to make a payment to your account and see your usage for the last 12 months.
