Utility Bills emailed to you

The eBills system delivers utility bills directly to the customer's email inbox, enabling them to view their utility bill directly from a secure PDF document. This works great for customers who prefer to not have paper bills mailed to their home. You won't miss out on the LMU monthly newsletter by signing up for eBills either, we will send that to you the same day as your eBill. Email lakotact@polarcomm.com or contact City Hall at 247-2454 to sign up.

Paying Utilities Automatically

Don't forget that Lakota Municipal Utilities offers Automatic Withdrawal for your utility bills. For those participating, the City of Lakota will deduct your monthly utilities amount on the 5th or 20th of every month from the bank account you request. It is an easy way to pay your bill and not have to worry about getting it to us in time. Let us to the work for you! Call or stop by the City Hall today to sign up!
