Utility Bills

By now you may have noticed that the Utility Bills have a new look to them. One of the new features is the billing statements have a graph on the left side of them that where you are now able to see how your electric and water usage changes from month to month. Please notice that at the top of the bill on the portion to return with your payment are two lines, one is the Total Charge and the other is the amount due after the 20th.

Please return the top portion with your payment to City Hall. If you have any questions on the new billing statements, please stop in and visit with us. We would be happy to answer any questions you have.

Want to use energy wisely?

As a locally owned municipal utility, our community is our top priority. By encouraging energy efficiency, we support our customers' efforts to save money, improve their comfort and protect the environment.

That's why we provide the rebates for high-efficiency ENERGY STAR appliances and other equipment, including:

Central air-conditioner: \$250-\$450	Air Source heat pump: \$250-\$450
Geothermal heat pump: \$200 per ton	High-efficiency furnace fan motor: \$1
Heat pump water heater: \$75	AC or heat pump tune-up: \$3
Clothes Washer: \$25	Refrigerator: \$25
Room air conditioner: \$2	Dehumidifier: \$25
Smart thermostat: \$25	LED Lighting: \$1.50-\$4

Budget Billing

Are the heating months putting a dent into your pocket-book? Have you considered looking into budget billing with Lakota Municipal Utilities? Budget billing is a great way to pay your utility account by averaging out the yearly usage. With budget billing, there will be no surprise utility bill each month, we just require you to pay a set dollar amount each month with no late or delinquent payments. Come in to the city office today to find out what your budget bill would be.
