Snow Removal Reminders

Please remember not to blow your snow into streets during these winter months. Blowing your snow into the streets make it difficult to properly clean the streets in a timely manner. It is also the responsibility of the property owner to keep the snow cleaned away from your mailbox and to also clean a path to your utility meter. Your postmaster and meter reader appreciate your cooperation!

Please also keep your dogs away from the meters during meter reading time, which is normally the week of the 15th every month.

Attention Walkers

The Lakota Community Center will be open Monday-Friday from 6:00am-3:00pm for anyone that is interested in getting their morning walk in during the winter months.

The Community Center will remain open for walking until spring or further notice and will be closed for holiday's recognized by the City of Lakota. If you have questions please contact the City Hall.

Thank you.
