United States Census 2020

You matter! You can respond to the 2020 Census by visiting the online questionnaire today. Visit <https://my2020census.gov/> It's quick and easy!

Park Re-Opens

The Lakota City Park has been reopened and can be enjoyed by the public once again! To keep our community safe, the city crew will be spraying down the play equipment by noon every Monday (with the exception of holidays, then it will be the following business day)

While visiting the park please remember to continue following these guidelines:

- Please do not use the park if exhibiting symptoms
- Keep up sanitary practices before & during park use
 - Practice social distancing
 - Be courteous of other's personal space
 - Limit the size of groups

The Lakota Park Board and the City of Lakota is committed to the health and safety of our community and staff. Please follow the guidelines that have been set in place.

4 SIMPLE STEPS TO REDUCE

BACKYARD MOSQUITOS.

1. Eliminate breeding habitat. Anything that holds water for up to seven days can produce mosquitoes. Get rid of the water!
2. Make your property unattractive for mosquitoes. Keep your grass cut short, hedges trimmed, etc. Mosquitoes like cool, shaded areas during hot summer days.
3. Apply effective insect repellent and wear protective clothing. There are several repellents that are odorless and leave your skin feeling dry instead of oily. Repellents are the best way to avoid mosquitoes.
4. Apply a barrier treatment to kill and fend off those pesky critters. Barrier sprays can give you one – three weeks of control from a single application.

Rock Creek Golf Course

The Rock Creek Golf Course is open for business and would like to invite you to try out your talents on the course. Swing on by to enjoy the beautiful 9-hole course, even if you're just starting out. Men's night is every Tuesday and Ladies night is every Wednesday.
