## Online System

Have you tried our online system? To view your account online go to [www.lakotand.enerlyte.com](http://www.lakotand.enerlyte.com) and take a look. If you have not previously logged in you will need to click on the icon at the top right corner of the page. The information you need to do this is found on your utility bills you receive monthly.

Once you are logged in you will also be able to make a payment to your account, see your usage for the last 12 months and view past bills.

## Budget Billing

Are the heating months putting a dent into your pocketbook? Have you considered looking into budget billing with Lakota Municipal Utilities? Budget billing is a great way to pay your utility account by averaging out the yearly usage. With budget billing, there will be no surprise utility bill each month, we just require you to pay a set dollar amount each month with no late or delinquent payments. Come in to the city office today to find out what your budget bill would be.

## Spring City Wide Rummage Sales!

The annual Lakota City Wide Spring Yard Sales sponsored by the Lakota Community Club will be held Saturday, May 2nd from 8am to 1:00pm. If you plan to participate and have a sale, please sign up at the Lakota City Hall by April 30th. There is a \$10.00 fee to cover advertising, signs, and map expense. Maps will be available at local business the morning of the sales.

## DIY Workshop

The Lakota Park Board and The Tattered Attic will be having a DIY Workshop on March 18th starting at 6:30pm at the Lakota Community Center. There are 4 projects to choose from. You don't have to be a crafting expert to take part in the class. For more information or to register for the workshop visit the Lakota Park Board Facebook page or contact Nancy at 247-2438. A portion of the proceeds from the workshop will go towards the upcoming Pool Project. Join us for a fun filled evening!
